Full Description

Tucked away on a quiet cul-de-sac is this stunning four bedroom family home.

Beautifully presented with white floors and walls throughout most of the house, it is light, bright, modern and spacious.

The porch opens into the entrance hall which has quirky, eye-catching monochrome floor tiles to provide a contrast from the white. The massive through lounge is a fantastic entertaining space with dining area, living area and a full size bar in between, there's also a very attractive fireplace.

A sliding door in the living room takes you out into a bright and airy conservatory providing more space for relaxing and dining with a view of the back garden.

The kitchen is stunning, fitted with white units, black worktops and all appliances. There's an island in the middle with bar stools, which again, makes this property a perfect social space for family and friends. Two large glazed doors in the kitchen give access to the lovely back garden complete with patio area and shed. There is also a downstairs cloakroom accessible from the kitchen.

The upstairs consists of a family bathroom with white three piece suite, three double bedrooms and one single bedroom which is currently being used as a walk-in wardrobe. If that didn't sound like enough space already, the second bedroom features a secure wooden ladder which gives access to the converted loft space which is an excellent size.

To the front of the house is a gravel driveway with space for 3 cars.

This property is conveniently located, just a short distance from Enfield Town, with its shops, restaurants and transport.

Aldersbrook playground is at the end of the road and there are several good schools in the area.

This is a beautiful house, packed with interesting features and lots of personality. Available on a furnished basis from mid/end of February.
